1) **Printing** with Holbein <Gouache> “Irodori” and several kinds of Japanese paper presented by Ozu Washi and Echizen “Udatsu Paper & Craft Museum”

At this Fair Holbein Art Materials Inc. and Ozu Washi will collaborate for the first time. You can experience full-scale printing using Holbein's new product <Gouache> "Irodori" and Japanese paper from Echizen and Kochi. Mokuhanga instructors will give you advice on how to print well. Please enjoy the marriage of paints and Japanese paper!

Feel free to join us at any technical level, from amateur to professional.

** You can get a set of paints and Japanese paper as a souvenir.*

2) **Sharpening chisels** using Michihamono’s electric sharper **and carving**

You can learn how to sharpen various kinds of carving knives and chisels using Michihamono’s electric sharpener “Mini Highs Care”. First please listen to explanation and watch demonstration by our specialist, then try sharpening yourself. You can also try carving with knives and chisels you just sharpened.

If you want to sharpen your own chisels, please bring them with you.

** The maximum number of sharpening personal chisels is three.*
